Helpful tips:

- If you wish to adapt this curriculum to account for transferred credit or variances in the total number of credits per semester, it is not recommended that you alter the order of the **Required Concentrate courses** as these have been arranged based on course prerequisites.
- For **General Music Elective courses**, **Music Business Elective Courses**, **General Education courses**, make sure that you are selecting a different course each time. With the exception of OLMSC-130: Applied Math for Musicians, the **General Education courses** can be completed in any order and can be substituted for one another in your academic plan in the event that you have received transfer credit to fulfill one of these areas
- Keep in mind that regardless of transferred credit, you will either need to complete OLMSC-130: Applied Math for Musicians when indicated or receive the requisite score on the math placement test.
- For this major, Study Abroad is recommended in semester 3 through semester 6 for those interested students.
